

ALFIE'S BISTRO STRAWBERRY MILKSHAKE

A fun-easy recipe for children to make with a grown-up and pretty tasty too!

To make 4 good sized milkshakes you will need:

- A punnet of fresh strawberries (can use frozen too)
- 400 ml of milk
- 4 scoops of vanilla ice-cream (or flavour of your choice!)
- Squirty Cream
- Chocolate shavings
- Wafer biscuit (was added at the last minute)

Step One

After washing little hands we're ready to go! Wash the strawberries and then top them. Children can pull the tops off or be supervised to remove the strawberry tops.

Step Two

Add your topped strawberries to the blender, pour in the milk.

Step Three

Add the ice cream to your blender. You can use a banana instead of ice cream to thicken up your milkshake and make a little healthier.

Step Four

Blend the mixture to a nice consistency.

Step Five

Pour in your glasses and add 'squirty cream.' We used plastic cups for little hands but if you have a milkshake glass like in Alfie's bistro then go for it!

Step Six

Add your chocolate sprinkles and enjoy!
